V. Update / Informational Items

A. CEO Selection Process

Members were updated on the CEO search timeline and that the Advisory Committee is progressing with the CEO selection process, having reviewed job descriptions and defined attributes for the role.

Commissioner Wostal voiced concerns about the integrity of the selection process due to previously expressed objections by Commissioner Flowers about the need for a CEO search. He worried this could affect perceptions of fairness for qualified candidates. A previous conversation with CSP CEO Steve Meier about his impending retirement added to these concerns. Commissioner Latvala defended Commissioner Flowers and spoke about the history of the two organizations and staffing levels. Commissioner Flowers recommended Steve Meier for CEO, emphasizing his operational knowledge and stating that the selection process should focus on the best qualified candidate.

Discussion on CEO Recruitment Process and Candidate Selection

Members advocated for appointing an experienced person through the merger to ensure normalcy and address staff apprehension during the merger. Additionally, the discussion included potential concerns from candidates outside the Tampa Bay area about the affordability of housing in the region.

Salary Discussion and Negotiation Process

This meeting section delved into the process of gathering information on salary expectations from candidates, the limitations of salary caps, and the role of the current chairs of both agencies as final negotiators. It also emphasized the importance of considering competitive salaries to attract the best candidates.

Updates and Encouragement

During an overview of the progress made in the merger process, collaborative efforts between the agencies and the focus on treating employees well and maintaining program consistency were highlighted. They also mentioned upcoming actions, including RFP's for benefits review and legal counsel, and discussed the positive energy and teamwork displayed by the staff.

The approach they are taking is to do no harm to the employees. Staff should not be asked to re-apply for their positions. Staff should not get hung up on titles, there is plenty of work to do. It will be the decision of the new CEO to determine what the team will look like.

B. Consolidation Agenda Calendar

Ron Barton presented and discussed the consolidation calendar, milestones, upcoming meetings and key action items associated with the consolidation.

C. RFP for Benefits Review

Kevin Knutson reported that one big piece of the consolidation puzzle are what benefits future employees of the combined organizations will have because they are currently different. An RFP for selection of a consultant to conduct a benefits review of both organizations and help with this decision went on the street last week.

D. RFP for Legal Counsel

Kevin Knutson reported that an RFP for Legal Counsel to represent the new regional LWDB will be going out next week.

VI. Future Action / Discussion Items (June 4)

A. Approval of Plan of Merger

B. Approval of CEO

C. Approve Agreement with New Administrative Entity/Fiscal Agent

D. Approve and Oversee the New Regional LWDB FY25 Planning Budget

E. Request New Regional LWDB Designation and Certification

F. Request Approval as Direct Services Provider (?)

G. Approve Grantee/Sub-Grantee Agreement

H. Request 1-year Extension for Submission of Local Area Workforce Plan (?)

I. Request 1-year Extensions of One-Stop Operator Agreements (?)

J. Request 1-year Extensions of MOU's with One Stop Partners (?)

VII. Open Discussion

Kevin Knutson mentioned that he and Steve Meier, CEO of CSP, were invited to CSTB staff meeting and Ron Barton and CSTB staff were invited to the CSP staff meeting. He added that energy in both meetings was really great and it was good to see all the employees get together and ask questions. Staff understands the process and know what's happening and they are working together to make this happen.

Commissioner Myers asked that staff not be required to reapply for their jobs and asked for as much as possible to be shared with staff to help them understand what's going on.

Commissioner Wostal asked if there is a working plan of which roles will be merged or ongoing.

Kevin Knutson added that staff is working on each of the areas to determine the needs of the new organization but have not made any determination about particular positions. The plan is for the new CEO to guide the conversation about what team they will need to lead the organization.

Ron Barton added that the philosophy taken is a no harm approach to programs, locations or people. Any changes will be led by the new CEO.

VIII. Adjournment

The meeting was adjourned at 11:25 a.m.

Minutes prepared by Tammy Stahlgren, Executive Administrative Assistant.

DRAFT

ACTION ITEM B

2024 - 2025 Planning Budget

Background Information

The CareerSource Hillsborough Pinellas (CSHP) 2024-2025 Planning Budget was prepared jointly by Hillsborough and Pinellas staff and has been prepared based on preliminary information received from FloridaCommerce for our primary formula-based funding streams: Workforce Innovation and Opportunity Act (WIOA), Wagner-Peyser and Welfare Transition Program (WTP). The preliminary WIOA allocations indicate an approximate decrease of 10% overall for the combined entity compared to the prior year while the preliminary WTP allocations indicate an approximate decrease of 5.5% when compared to the prior year. Wagner Peyser funding is projected to be level funded. Estimates for other recurring funding sources have been based on prior year allocations received by each County. Carryforward amounts by County are estimated based on current available information and anticipated expenditures through the end of the current fiscal year, June 30, 2024. A budget modification will be presented in the first quarter of FY2025 once all final allocations and carryforward amounts are known.

The Board's general responsibility includes, but is not limited to, developing a budget for the activities of the board, with approval of the Consortium, per the By-Laws (Amended and Restated By-Laws of Tampa Bay Workforce Alliance, Inc. DBA CareerSource Hillsborough Pinellas). Once approved by the CSHP Board of Directors, the budget will go before the Consortium on June 4, 2024, for final approval and then to FloridaCommerce by October 1st in accordance with the FloridaCommerce Grantee Subgrantee agreement.
